

Undergraduate Travel Assistance Award (UTAA) 2024

This award is designed to help introduce undergraduate students to AFS meetings and increase participation at the Society level. The UTAA helps undergraduates offset the cost of travel to the AFS Annual Meeting held in Honolulu, HI this year (September 15-19th)! **Two** undergraduates will be selected to receive \$1,000.00 USD. As this award is funded and supported by the Education Section, awards will be given during the business meeting of the Education Section or the Student and Early Career Professionals Subsection. Selection of awardees will be based on involvement in student and professional organizations and rationale for attending the meeting. The UTAA provides a great opportunity for undergraduate students to network with peers and professionals within AFS and surround themselves in fisheries science and research that is being conducted by society members. Recipients will be expected to attend all student related events including, but not limited to, the student networking event, awards luncheon, Education Section business meeting, and SECP Subsection business meeting. Travel funding will be withheld if these requirements are not met.

Specific instructions:

1. Please limit responses to the questions to 150 words, 12-point font.
2. Undergraduates will be evaluated based on two criteria: 1) involvement in student or professional organizations, and 2) reasons for attending the annual meeting.
3. A mentor* must endorse your application with a signature.
4. Application forms must be received no later than **May 1st, 2024** at midnight PST.
5. Please complete form and email the attached file to afsstudent@gmail.com with the subject line "UTAA 2023" followed by your name.
6. You will receive confirmation when your application is received. If you do not receive confirmation within 24 hours, please email afsstudent@gmail.com to ensure your application is processed.

*Mentor can be a faculty advisor, agency employee, graduate student, etc.
